Passage: John 6:1-13

LEARN IT

There are big needs in the world that aren't being met. God shows us needs so we can do something about them!

LINK IT

It's easy to pray, but sometimes God wants us to do more than pray. He wants us to DO something!

COMPASS POINT

"I must get involved to get problems solved."

LIVE IT

Don't wait. Don't sit around hoping someone else will take care of a problem. Pray that God will show you needs, then go out and help meet them.

MEMORY MAX

"Remember, it is sin to know what you ought to do and then not do it."  
James 4:17
